Attached to this form *Professional Master – Study plan* should be an individual study plan prepared by the student in collaboration with the assigned supervisor. The attached study plan should hold the following headings:

- ***The basis for admission***  
The study plan should describe the applicant’s work experience, life experience and previous education
- ***Academic profile***  
The study plan should specify the academic profile of the study programme, including the *major subject* and the study elements which the student must take to be able to complete the desired study programme. The study plan should comprise a list of three or four courses of 10 or 15 ECTS points as well as a *final project*. The *final project* must link the individual study elements and must lie within the main subject of the study programme.
- ***Timetable***  
The plan must describe the order in which the study elements are to be taken and a recommended timetable for this. The individual study elements must be within the curriculum in force at the Centre of African Studies. At least 45 ECTS points, including the *final project*, must be obtained through in-dept work with a main subject. At least 30 ECTS points must be taken at the Centre of African Studies
